

March 30, 1987

TO: File

FROM: David M. Wham, Reclamation Hydrologist *DWH*

RE: Site Inspection, North Lily Mining Company, North Lily Project, PRO/023/007 & DOE/023/014, Juab County

Division personnel Frank Filas, Frank Jensen, and Dave Wham inspected the above referenced site on March 11, 1987. The operation was inactive at the time of our inspection and is essentially in the same state as described in the Division's February 11, 1986 inspection memo.

File Review

DOE filed 10/31/83.

DOGM acknowledgment 11/2/83.

MR-1 received 6/5/84

Tentative approval for M/023/007 was granted 8/31/84. Final Approval is pending receipt of a reclamation surety in the amount of \$109,185.00 (1987 dollars).

Division letter of 5/28/86 approved continuing DOE status and gave notification of new regulation changes.
